INDUSTRIA CONTATTI

VIA PIETRO COSSA 98 - 10146 TORINO (ITALIA)

CARATTERISTICHE TECNICHE

I materiali impiegati per la costruzione dei nostri contatti sono attinti dalle migliori fonti estere: in particolar modo il tungsteno che corrisponde alla purezza chimica del 99,98%.

Della qualità superiore e della perfetta efficienza dei ns/ contatti ne è la prova e una garanzia la preferenza accordataci dalle migliori Case fabbricanti di moto-scooters e volani magneti.

TECHNICAL CHARACTERISTICS

The materials used for the construction of our contacts are bought from the best foreign sources: particularly the tungsten corresponding to the chemical purity of 99,98%.

The superior quality and the perfect efficiency of our contacts are proved and guaranteed by the preference granted to us by the most important manufacturers of moto-scooters and fly-wheels magnetos.

CARACTERISTIQUES TECHNIQUES

Les matériaux employés pour la construction de nos contacts sont puisés aux meilleures sources étrangères: d'une façon particulière le tungstène correspondant à la pureté chimique du 99,98%.

La preuve et la garantie de la qualité supérieure et du parfait fonctionnement de nos contacts sont données par la préférence qui nous est accordée par les plus importantes Maisons qui fabriquent des moto-scooters et des volants magnètes.

Tutti i rottori e contatti illustrati su questo Catalogo sono di nostra propria fabbricazione. Sia le illustrazioni che i testi non possono essere riprodotti - anche parzialmente - senza la nostra autorizzazione.

All the contact breakers and contacts, illustrated on this catalogue are manufactured by us. Both the illustrations and the texts cannot be reproduced even partially without our authorization.

Tous les rupteurs et les contacts, illustrés dans ce catalogue sont à notre propre production. Soit les illustrations soit les textes ne peuvent pas être reproduits même en partie - sans notre autorisation.

I nomi dei fabbricanti ed i numeri originali sono citati unicamente per facilitare la ricerca dei corrispondenti contatti di fabbricazione EFFE.

The names of the manufacturers and the original numbers are cited only to facilitate the search of the corresponding contacts EFFE.
