CATALOGUE N°34/A

CARATTERISTICHE TECNICHE

**Il marchio "EFFE" è garanzia di qualità e di durata in quanto i materiali impiegati per la costruzione dei nostri prodotti sono attinti dalle migliori fonti italiane ed estere; in particolar modo il tungsteno che corrisponde alla purezza chimica del 99,98%;
la lavorazione è tecnologicamente avanzata;
i collaudi sono severi ed accurati.**

TECHNICAL FEATURES

**The "EFFE" brand is a warrant of quality and life as the materials used in making our products are derived from the best sources in Italy and abroad; particularly the tungsten corresponding to the chemical purity of 99,98%;
the processing is technologically ahead;
the tests are hard and precise.**

CARACTERISTIQUES TECHNIQUES

**La marque "EFFE" est garantie de qualité et durée, car les matériels employés pour la construction de nos produits sont puisés aux sources italiennes et étrangères les meilleures; particulièrement le tungstène correspondant à la pureté chimique du 99,98%;
la lavorazione est technologiquement avancée;
les essais sont sévères et soigneux.**

Le illustrazioni e i testi del presente catalogo non possono essere riprodotti - anche parzialmente - senza nostra autorizzazione.

I nomi dei fabbricanti e i numeri originali sono citati unicamente per facilitare la ricerca dei corrispondenti contatti e condensatori di fabbricazione "EFFE".

The pictures and texts of this catalogue cannot be reproduced - even partially - without our authorization.

The manufacturers' names and the original numbers are mentioned only in order to facilitate the research of the corresponding contact sets and condensers made under "EFFE" brand.

Les illustrations ainsi que les textes de ce catalogue ne peuvent pas être reproduits - même partiellement - sans notre autorisation.

Les noms des fabricants ainsi que les numéros originaux sont indiqués uniquement pour faciliter la recherche des contacts et condensateurs correspondants de fabrication "EFFE".
